SINTONIA/COLLABORAZIONE/RISULTATI HARMONY/COLLABORATION/RESULTS

La nostra passione dura da oltre 50 anni, e non accenna a spegnersi. SIGE dal 1969 è un vortice di idee e di progetti che ha travolto e trascinato con sé tante generazioni. Un inizio misurato, poche risorse e tanti sogni; poi la crescita controllata, un passo dopo l'altro cercando di superare i nostri limiti. La ricerca della qualità, il rispetto per l'ambiente, la tutela dei propri collaboratori. Ogni giorno un passo, fatto sempre con un'impronta più marcata. Fino ad oggi, il 2023, dove la Sige Spa è cresciuta specializzandosi nella realizzazione di cestelli, meccanismi estraibili, complementi e componenti per la cucina, la zona laundry e il guardaroba.

Our passion goes back more than 50 years, and it shows no sign of fading. SIGE since 1969 has been a whirlwind of ideas and projects that has caught and driven many generations along with it. A modest beginning, few resources and many dreams; then a gradual growth, one step after the other, trying to exceed our limits. The pursuit of quality, respect for the environment, protection of employees. Every day a step, always with a stronger footprint. Up to today, in 2023, where Sige Spa grew and specialised in the manufacture of baskets, pull-out mechanisms, accessories and components for the kitchen, laundry area and wardrobe.
